Dear Mr. Godsey,

On behalf of the National Center for Missing & Exploited Children, I am honored to present you with NCMEC's Exceptional Service Award in recognition of your unwavering commitment to help bring missing children home.

Ten years ago, your station was approached by a police officer with an idea for a program that would focus on missing children and provide prevention and education tips for parents.

The station boldly embraced the idea, and "Child Search," was born. To date, the program has assisted in the recovery of more than 230 children, which is a remarkable achievement by anyone's standards.

Mr. Godsey, I would like to personally thank you and KMBC television for your relentless dedication to the "Child Search" initiative.

I have worked with families of missing children for more than 25 years and have seen first hand the power that hope provides. Your passion has provided the hope and strength that they need to keep searching.

Best Wishes,

Craig E. Hill  
National Director
